8 Rights attached to the New Stapled Securities

8.1 New Stapled Securities rank equally with existing Stapled Securities and carry the same voting rights, distribution rights and other entitlements as at the Allotment Date.

8.2 Aspen Group will apply for the New Stapled Securities to be quoted on ASX.

8.3 New Stapled Securities allotted under the Offer will be registered on the Security Registry.

9 Costs of participation

9.1 No brokerage, commissions or other transaction costs will be payable by Eligible Securityholders in relation to the application for, and allotment of, New Stapled Securities.

10 Risks

10.1 There is a risk that the market price of Stapled Securities may change between the date of the Offer and the Allotment Date. This means it is possible that, up to or after the Allotment Date, you may be able to buy Stapled Securities at a lower price than the Offer Price.

10.2 Accordingly, you should monitor Aspen Group announcements and its Stapled Security price, which can be found on the ASX website at www.asx.com.au (ASX code: APZ).

10.3 You should be aware that your application, once made, is unconditional and cannot be withdrawn even if the market price of Stapled Securities is less than the Offer Price.

11 Applications may be scaled back

11.1 If Aspen Group receives applications in excess of A\$3.0 million, Aspen Group reserves the ability to either accept applications in excess of A\$3.0 million or to scale back applications. There will however be no scale back if Aspen Group does not receive applications in excess of A\$3.0 million.

11.2 If applications are scaled back, Aspen Group may apply the scale back to the extent and in any manner that it sees fit. If the scale back produces a fractional number of New Stapled Securities when applied to your parcel, the number of New Stapled Securities you will be allocated will be rounded down to the nearest whole number of New Stapled Securities.

11.3 If there is a scale back, the difference between the funds received and the number of New Stapled Securities allocated to you multiplied by the Offer Price, will be refunded by Aspen Group without interest.

12 Refunds

12.1 By applying for New Stapled Securities under this Offer, you apply for a certain value, rather than a certain number of New Stapled Securities. The number of New Stapled Securities to be issued to you will be calculated by dividing the amount you subscribe by the Offer Price, then rounding down to the nearest whole number of New Stapled Securities. This could result in a small amount of excess (which will always be less than the Offer Price for one New Stapled Security under the Offer) (**Excess Amount**).

12.2 Refunds under the Offer may be paid under various circumstances, including:

- (a) If allocations are scaled back you will receive a refund of:
 - (i) the scaled back amount; and
 - (ii) the Excess Amount.

- (b) If allocations are not scaled back you will not receive a refund of the Excess Amount. Aspen Group will retain the Excess Amount and pay such amount (which will always be less than the Offer Price for one New Stapled Security under the Offer) as a donation to a charity of its choice. You will not receive a charitable tax receipt for this.
- (c) If your application is rejected, your application amount will be refunded in full.
- (d) If a refund is made, you will not receive any interest on funds refunded to you.

- 14.2 You must not submit an Application Form or make payment by BPAY or otherwise in respect of the purchase of New Stapled Securities on behalf of any person in the United States.
- 14.3 Failure to comply with these restrictions may result in violations of applicable securities laws.

15 Dispute resolution
